Details: George F Canyon birthday parties are kind to the Earth and children will have fun while learning about the environment. The Nature Center will provide all decorations and we ask that visitors do not bring balloons, piñatas, silly string and confetti, as they create a burden on the local plants and wildlife. To help you "keep the party green," we offer Earth-friendly cups, plates and utensils (for just \$1 extra per child). If providing your own, please also refrain from using plastic or styrofoam.

The birthday boy or girl can bring up to 14 friends for a celebration lasting up to 2 hours. Our covered patio overlooking a grassy meadow is the perfect setting for the big event. Refreshments will be provided by the host family (a refrigerator, freezer, coffee maker and microwave are available).

Celebrations are held on weekdays anytime from dawn to dusk or on the weekends after the Nature Center is closed to the public (4pm). The \$15 cost per child includes a one year membership for the family hosting the party!
